# INFORMATION DISCLOSURE STATEMENT

Assistant Commissioner for Patents  
Washington, D.C. 20231

Inventor: Brad A. Armstrong  
Application No. 09/721,848 Filed 11/22/2000

Title: SHEET CONNECTED SENSORS WITH VIBRATION

Examiner: GAU:

Dear Sir:

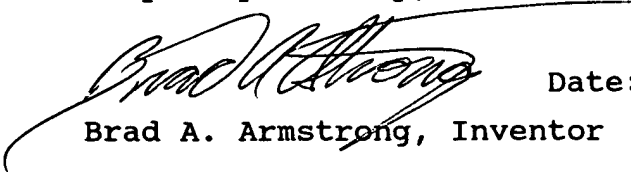

Attached is an Information Disclosure Statement, Substitute for form 1449A/PTO, along with full or partial copies of the listed disclosures. It is requested that the listed disclosures be considered by the Examiner (PTO) and made of Record if determined to be prior art by the PTO. Applicant is pro se and requests that the PTO consider and make of Record each of the disclosures listed by Applicant which is determined by the PTO to actually be prior art to a claim in the instant application considering the continuing data claimed in the instant application.

Please do not hesitate to request from Applicant, if need be, complete copies of any of the listed disclosures of which only partial copies have been provided. Applicant will promptly try, upon request, to hunt down and print out more of the disclosures.

I also wish the issues pertaining to Double Patenting be considered, as I have many additional pending U.S. patent applications. Therefore, the PTO is requested to please search for other applications under my name, Brad A. Armstrong, in U.S. patent applications.

Thank you for your consideration and assistance.

Very Respectfully;

  
Brad A. Armstrong, Inventor
